The standard auction documents consist of:Formulari i njoftimit;

- Request for Participation;
- Bid Form;
- Invitation to Bid;
- Winner Notification Form;
- Winner Notification Publication Form;
- Minutes of the Bid Evaluation Committee.

10. The request for participation, the required documents and information are submitted by the purchasing candidates in hard copy, by post or by hand, at the location specified in the auction documents.

11. Note: Referring to the special nature of the auction object, taking into account that due to natural causes we may find ourselves faced with the fact that the quantity of the livestock (sheep) may change, the calculation of the initial auction value will be calculated as: 14,500 Lekë (per unit) X the quantity of sheep at the time of the auction.
